Druids Acres

Overview

Team building was never so easy, with (6) Druids acres just minutes away from the hotel. The ideal place for sports & social outings, client entertainment, staff incentives or product launches.

Together with professional specialised event companies, we design various half / full day programs that fit your own company needs and goals.

Our custom-built log cabin and shelter provide a comfortable retreat between tasks, challenges and work outs.

Light lunches and hot & cold beverages are catered for on site.
