At Druids Glen Health Club, we are committed to ensuring the safety and wellbeing of all children and young people using our facilities.

Druids Glen Health Club believes in safeguarding and providing for the interests and wellbeing of children by taking all reasonable steps to protect them from harm, discrimination or degrading treatment whilst respecting their rights, wishes and feelings whilst in our care.

The aim of our statement is to ensure that it is important to recognise that we have an obligation to ensure that when we are given responsibilities for children, we should give them the highest possible standard of care.
